

Food Used for Energized Living

*play on*

**2 Meals per Day | Monday - Friday**

**Pick Up During Club Hours in Blue Court Grill**

**February 27 - March 31**

We're looking for a second group of members to help us further test and improve our new food subscription program - FUEL. In the last round, we uncovered and fixed kinks in our delivery process. During this round, we intend to delve more deeply into recipe preferences, packaging, meal plan notification and nutritional information. Bottom line, we're looking for "perfection partners" and hope you'll agree to help us.

As an enticement, we're making an even better offer than we did for the first round. You will still receive five weeks of food for the cost of four but you will also get a 15 minute nutrition planning session with one of our registered dietitians. March's fee will be \$360 which comes out to \$7.20 per meal.

To enroll for March, please email our FUEL coordinator and registered dietitian, Katie Rhodes, at [katie@own-nutrition.com](mailto:katie@own-nutrition.com) or drop by Blue Court Grill.
