

Court Reservation Clarifications

Only ACTIVE Athletic and All Access members may reserve courts. When doing so, be sure and indicate the type of court you want - indoor or outdoor and tennis or pickleball.

“One call, one court” - You may reserve courts up to three days in advance by calling the Tennis Desk but **you can only reserve ONE court on that call**. If you want a second court, you have to call back. (We understand this can be frustrating but our “One Call, One Court” policy makes the 8:00 am reservation rush as fair as possible for all members.)

A pickleball court is defined as 1/2 of a tennis court. The second half of the tennis court is NOT part of any given reservation. If you want to reserve a second pickleball court, you must reenter the call queue.

Reserving a tennis court for use as two pickleball courts is not allowed.

Ball machines may be reserved one day in advance.

You may NOT have a reservation for an indoor court and an outdoor court at the same time.

The fees for an indoor court reservation are \$24 for 90 minutes and \$16 for 60 minutes. However, we have automated a **“chalk discount”** on indoor pickleball courts because we do not have permanent lines and nets. Thus, the 90 and 60 minute court fees for indoor pickleball play are \$20 and \$12, respectively. There is no charge for outdoor court rental.

Court fees will be divided among the players listed on the reservation.

Reserved courts will be opened to other members if no player on the reservation is present 15 minutes after the start of the reserved time.

Courts must be canceled three hours prior to the reserved court time to avoid paying for the court in the case of indoor play or receiving a no show fee in the case of outdoor play.

If no courts are available, you may place your name on a standby list and we will contact you if one opens. You will have an hour from the time of the call to accept.

To ensure we enable as much play as possible, we reserve the right to move reservations as needed to increase court efficiency.
