DISCIPLINE

The LRAC reserves the right to remove a child from any program or activity if the child's behavior jeopardizes his/her own safety, that of others, or is so disruptive that the enjoyment of other participants is diminished.

The LRAC uses "timeout" to encourage good behavior. A child who must take a timeout will be removed from participation and is required to sit alone quietly for 1 minute for each year of age, i.e., a five year old would incur a 5 minute timeout whereas an eight year old would sit for eight minutes. This policy will be clearly explained to each child and a verbal command will be given which instructs the child as to how he/she is supposed to behave before any timeout is given. Parents will be informed on a daily basis if their child was put in timeout. Continuous behavioral problems may result in removal from the program.
